

Pastor's Note Continued

...Know that He knows your pain and is there for you with all you need; know that when you don't know "why", you can trust Him and know that he is a good God; know that he sees every tear you cry and holds you to His heart; know that our loved ones are experiencing the beauty and majesty of Jesus in ways we can only imagine...and know that we will see and hold them again to be with them and the Lord forever! What a promise!

One day while walking on a snow-covered path near my home, I spoke to the Lord and told Him how I longed to tell JoAnn how much I loved her one more time. As I walked, these words from the Lord flooded my heart, "She Knows!" Thank you, Jesus. □

In Him,

Pastor Angelo
Senior Pastor

LIGHT OF THE WORLD CHURCH

MONTHLY BULLETIN

March 2010

A Note From Pastor Angelo

March is upon us and, as they say, it comes in like a lion and out like a lamb. Let's hope that is so. But, for the past three years, March has meant something else for me.

On March 8th I will celebrate my birthday... and on March 14th, it will be three years since my beloved wife, JoAnn, went home to be with the Lord. It seems unimaginable that it has been three years of life without her, as we were married for twenty-five years. My children and I are very close and spend much time together healing, remembering, laughing and crying, but always thankful. In this time of inconceivable loss, God has been faithful to deliver on every promise and every word He has ever spoken, continually comforting, strengthening, and filling us with peace...confirming His presence, compassion, and love.

He has revealed to me the depths of His love and care as I have never known. As I tread deeper in my reliance and dependence on Him for everything I need, He lifts me, holds me, and truly enables me to proclaim, "All is well"...even in my weakest time.

If you are in a season of grief or loss, I want you to know what He has made known to me...
